**Objectives**

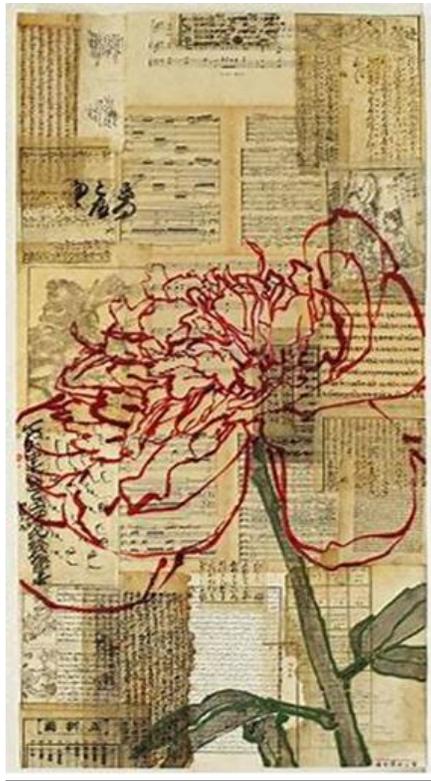

Objective / I Can:

- 1.) Remember all the things we practiced in our sketches- drawing facial features, expressions. **It's time to put all your hard-earned skills to work. You can do this!! Yes, you can!** Draw your portrait in any position that would best express you.
- 2.) ATTEMPT THE PORTRAIT FIRST. You may also use objects or scenes. Just don't be random. **I will be look for a thought process and meaning. No google copying!**
- 3.) Use Color if you choose. Ink is best! Marker, pen, sharpie. You can use Prisma or other Bright media. **Be gentle your newspaper will rip** if you put too much pressure. Yes, of course if you have opaque paint is great too. Just like we learned **color invokes Emotion and mood.**

**Helpful techniques:**

- You can use a damp (not wet) q- tip to paint shade, smear with sharpie, markers and inks.
- Food color makes watercolors (a little on a q- tip goes a long way)
- Don't drown your paper- text could ruin or tear.
- You can paint with coffee (the stronger the better. Instant coffee is best!)
