[TEAMS Folder](#)

Objectives

Objective / I Can:

- Explain how systems interact with one another between populations and ecosystems to impact change

Activities

Student Activities:

Pandemic Outline

Go to [Teams Folder](#). Look for the assignment: Pandemic Outline

- Create an outline for your specific pandemic paper. Be sure to include all of the information outlined in the TEAMS assignment.
- This is JUST an outline. You don't need to know EVERYTHING you're going to say just yet.

Pandemic Videos

Go to [Teams Folder](#). Look for the assignment: Pandemic Videos.

- Submit summaries for each of the videos as outlined in the TEAMS assignment.

La Porte High School AP Biology Outreach Learning

April 6th – April 14th

Academic/Instructional Support

Office Hours: 8AM – 12PM

During “Office Hours” I’ll be actively available to answer questions or discuss concepts. Outside of office hours I will intermittently check email from 12PM to 4PM daily.

To Be Graded

Assignment for students to submit to TEAMS Folder:

1. Pandemic Outline

Students will be graded on the submission of a complete and cited outline for their pandemic paper demonstrating thorough student research.

2. Pandemic Videos

Students will be graded on their submission of a summary of all 3 videos provided in this assignment.

When is it due?

04/14 by 8 AM

What assignments will the student submit?

Pandemic Outline

Pandemic Videos

How will it be submitted?

Electronically, through TEAMS assignments via a Word document.
