Objectives

Objective / I Can:
- Identify the uses of Technology in the food service industry
- Distinguish between Consumer and Management technology

Activities

Student Activities: (Resources, videos for students to use.)

Log in to Clever (on student homepage for lpisd), click on ICEV, then our class. Look for the section: "Technology in the Hospitality and Tourism Industry"

Technology in the Hospitality and Tourism Industry:

You will receive two grades for this week.

Technology in the Hospitality and Tourism Industry Notes:
1. Under this section there is a powerpoint, two sets of notes, and 3 assessments.
2. Open the Powerpoint, and the first notes (Consumer Technology) I suggest minimizing both windows so you can see them at the same time. You will view the powerpoint and fill out the notes as you review the powerpoint. Halfway through the powerpoint you will see a title page (Management Technology) This is where you will open up the second set of notes and repeat the process.
3. Once you complete both notes, go to TEAMS for our class, find the assignment that says "Technology in the Hospitality and tourism industry Notes", open the Assignment and hit "Turn in". (You do not need to attach anything, I will go in to ICEV and get your grade, this will just let me know when you complete it.)
4. Your grade will be an average of the score of the two notes.

Technology in the Hospitality and Tourism Industry Assessments
1. While you are logged in to ICEV, go back to the "Technology in the Hospitality and Tourism Industry" link.

2. You will see 3 assessments. You will take each of these assessments. You have two attempts on each one, so if you do not do well the first time, you can re-take it once.

   Assessment 1
   Assessment 2
   Assessment 3

3. Once you complete the assessments, log in to TEAMS for our class, find the assignment that says "Technology in the Hospitality and Tourism Industry Assessment". Hit turn in. Again, you do not need to attach anything, this will just let me know when you have completed it, and I can retrieve your grades from ICEV.

4. For your assessment grade I will take an average of all 3 assessments. It will be counted as a daily grade, not a test grade.

These assignments are due on 4/06 by 8:00am.

Academic/Instructional Support

Schedule:	Teacher Support - TEAMS *I will be available any time for student support via email. Feel free to email me any questions or concerns you may have about the course going forward. Email peterss@lpisd.org.*
