## Objectives

Objective / I Can:

- List 10 ways math is used in everyday life.
- Write a formal letter using good written communication skills.

## Activities

Student Activities: (Resources, videos for students to use.)

Go to [Teams Folder](#). Look for the assignment:

1. Create a list of at least 10 ways math is used in your everyday life.
2. Write a formal letter to a prospective employer about why you would be good for the job. Include skills that you have and discuss your work ethic. Use your knowledge of written communication to help you.
