Objectives

Objective / I Can:

- To demonstrate competencies related to resources, information, interpersonal skills and systems of operation.
- To demonstrate knowledge of personal and occupational health and safety practices in the workplace.
- To identify employers' expectations, including appropriate work habits, ethical conduct and legal responsibilities and good citizenship skills.
- To explain the human-animal bond and how to interact with clients and their animals.
- To evaluate the principals of veterinary medical ethics and to review policies and procedures which are a reflection of various local, state and federal laws.
- To identify skills needed to communicate effectively with clients, pet owners and for problem solving.
- To explain the role and importance of marketing and its effects on the success of a veterinary hospital.
