Objectives

Objective / I Can:

- Demonstrate knowledge of US (Customary) and Metric system. Show similarities and differences and what distinguishes the two measuring rubrics.

Activities

Student Activities: (Resources, videos for students to use.)

Use IceV (Clever) online, youtube, and NCCER page for resources. Anything off internet needs to be referenced and/or cited.

Go to [Teams Folder](#). Upload the assignment:

Customary vs. Metric

Directions:

Students will research the U.S. customary system and the modern metric system. Then they will write a report discussing their findings. They should include a brief history of each system, advantages and disadvantages of each system, and their opinion on which system is preferable. Students should include a bibliography documenting their sources according to your instruction.
