 All assignments and resources are on Edgenuity. Students will go to www.Edgenuity.com and log in to complete the provided coursework. Students may also navigate to Edgenuity through Clever as well.

YOUR COURSE IS MATH MODELS B
Objectives

Objective / I Can: complete the equivalent of 20 minutes per day in Edgenuity following the curriculum set for me by Mrs. Hudnall, accumulating no less than 80 minutes total by Friday, April 17.

Activities
Student Activities:

Log on to Edgenuity. In the order provided, complete coursework for Math Models B. This curriculum has been restructured to specifically fit the remaining Algebraic Reasoning course.

Grading will be based on Participation and the Edgenuity average.

Participation is based on the time spent completing the coursework. Meeting the 80 minute time frame = 100.

Academic/Instructional Support
Schedule:

 I will be available by email hudnallp@lpsd.org to assist students with log in issues, questions, and resources.

Office Hours
8:00 am till 12 noon Monday – Thursday

To Be Graded

Each Edgenuity course has the following components:

- Warm up
- Instruction
- Summary
- Assignment
- Quiz
- Unit test

Students should complete 80 minutes of coursework per course in Edgenuity.

When is it due? Friday, April 17

What assignments will the student submit?

The student's time in Edgenuity will be verified and grades earned for the work completed.

How will it be submitted?

Electronically, except by individual arrangement.
