### My “Self-Portrait” Collage

#### Create Collage (WEEK #2)

To create your self-portrait collage, you must first select your canvas. You can use poster board, cardboard, printer paper, or construction paper. Your canvas is not to be any larger than 8”x11”. Assemble the items you collected last week onto your canvas. Use tape or glue to attach the items to your canvas. Tape can include colored/patterned duct tape to add to your artwork, if you’d like. Include your NAME, CLASS NAME (PATH or College Readiness and Study Skills), YEAR (2020) and a picture of YOU in your collage.

#### Step 5: Turn-in Collage (WEEK #2)

When you have completed your “self-portrait” collage, email me a picture of your artwork. Submit the picture of your completed artwork through TEAMS, REMIND.com or by email or [ruterk@lpisd.org](mailto:ruterk@lpisd.org).

1. Continue your daily journal writing that fits your mood, feelings, activities going on with you that day; whatever fits best for each day.
2. **Write, do not type**, your journal entry either in a spiral notebook, notebook paper, or a journal notebook. This will be a daily required writing activity.
3. If you want to share your journal entry with me, upload a picture of what you wrote to your TEAMS folder, REMIND or email. If you prefer not to share your journal entry, email me or send me a message through REMIND what your daily topic was that you wrote about each day.
4. There is no minimum or maximum of what you write in your journal daily. What you journal each day will guide the length of your writings.
