Sarah Kotasek

Email me at kotaseks@lpisd.org if you have any questions.

Click on your class period's TEAMS site for assignments.

[1st Period](#)

[8th Period](#)

*Be sure you have already signed up for Khan Academy and joined my class with code CUD43RRV. [Here is the link.](#) Instructions for signing up:

1. Click the link.
2. Create an account or login if you already have a khan academy account.
3. Enter class code CUD43RRV
4. View assignments and due dates on the dashboard.

Objectives

Objective / I Can:

- I can understand the functions of a fractional reserve banking system.
- I can demonstrate my understanding of the Federal Reserve's ability to conduct monetary policy.

Activities

Student Activities: (Resources, videos for students to use.)

1. After signing up for Khan Academy and joining the class (read instructions above), complete the assignments posted on the dashboard. There are eight tasks to complete, starting with the video "bank balance sheets in a fractional reserve system" and ending with "Financial sector: Quiz 2"
2. Complete the Crash Course Economics #10 Video Questions using this [video](#). This assignment will be posted on Teams under the assignments tab.
3. Complete the Federal Reserve Notes using the power point. This will also be posted as an assignment in Teams. These notes will help you with future assignments.
4. Complete the Banking Balance Free Response Question posted in Teams. Follow all directions and use your notes from this week and last week to help you.

Academic/Instructional Support
