Objectives

Objective / I Can:

- April 20: I can create an inverse function by switch the x and y.
- April 21: I can create an inverse function by switching the x and y then solving for y
- April 22: I can create an inverse function by switching the x and y then solving for y
- April 23: I can create an inverse function by switching the x and y then solving for y
- April 24: I can create an inverse function by switching the x and y then solving for y

Activities

Student Activities:

Go to [Teams Folder](#). Look for the assignment: All assignments can be found on student eduphoria test the link is below.

- April 20: [Intro to Inverse Functions](#)
- April 21: [khan academy Inverse Intro](#)
- April 22: [Inverse functions on a Table 1](#), [Inverse Tables 2](#),
- April 23: [Inverse Tables 3](#),
- April 24: [Inverse Functions as opposites](#)
-

April 20 – April 24, 2020

Academic/Instructional Support

Schedule:

Office Hours

Teacher Support - TEAMS

I will be available for questions through the TEAMS website and my email address M-F 8 am – noon.

To Be Graded

All assignments can be found on student eduphoria test the link is below.

[Student Eduphoria Testing Link](#)

Student Eduphoria Testing will send instant results for grading when assignments are submitted. All assignments will be entered in the grade book on the Monday due date by 4 pm.

When is it due? All assignments are due the Monday of the week following the date they are assigned. This weeks assignments are due Monday April 27th 2020 If they is any reason you are unable to complete an assignment please contact me prior to the end of the week.

What assignments will the student submit?

- April 20: Create an inverse function by switch the x and y.
- April 21: Create an inverse function by switching the x and y then solving for y
- April 22: Create an inverse function by switching the x and y then solving for y
- April 23: Create an inverse function by switching the x and y then solving for y
- April 24: Create an inverse function by switching the x and y then solving for y

How will it be submitted? Electronically through student eduphoria test:

[Student Eduphoria Testing Link](#)

Electronically, except by individual arrangement.
