

Accessing La Porte ISD's Educational Outreach Learning

Go to lpsid.org and go to your campus page under the **SCHOOLS** tab.

Find the **EDUCATIONAL OUTREACH** tab at the top of your campus web page and click it.

Once you have clicked on the **EDUCATIONAL OUTREACH** tab, you will arrive at your campus' list of courses/teachers (secondary schools) or grade levels (elementary schools).

From there, find your courses/teachers and/or your appropriate grade level, and click to download your assignment. (See some examples below.)

If you have any questions or concerns about the assignments, please contact your teacher.
