Objectives

Objective / I Can:

- I can identify major concepts from Unit 3 and answer Free Response Questions related to these concepts.

Activities

Student Activities:

Go to [Teams Folder](#). Look for the assignment:

1. Review the page of notes and presentation provided by your fellow classmate(s). This is located in the files section on TEAMS.
2. Watch the video entitled, "Intermolecular Forces, Solids, Liquids and Gases" to help you review. This video is on YouTube and a link is provided below.
<https://youtu.be/NczVUxmtAk8>
Answer questions related to this video. The questions can be found in TEAMS folder in a word document entitled, "Unit 3 Review Video and Questions."
3. Complete the FRQ assignment entitled, "Unit 3 FRQ Review" in AP Classroom.

Academic/Instructional Support
