Go to Teams Folder. Upload the assignment: 2019-2020 Year Recap

Directions:
For this assignment, as we near the end of the semester and school year in a very odd way;

Write a two page essay summarizing your experience from Spring Break to present and tell me all the highs and lows you have experienced during the Covid-19 Quarantine. Also, list two bullet points:

- High point/ Favorite part of School year
- Low point/ Worst/Hardest part of School year

I think this will be helpful for you to put some of these thoughts down on paper and will help me know how each of you are doing, as well as your welfare and situation.
