

Geometry Week of 5/3 – 5/9/20**Teacher/Team:****Pam Hudnall****If there are any questions, please feel free to email me at:**hudnallp@lpisd.org**Link to [TEAMS Folder](#)****Previous Lessons: Tangent Lines**[Hudnall Geometry 4th pd HS](#)[Hudnall Geometry 4th pd Academy](#)**Link to:**

All assignments and resources are on Edgenuity. Students will go to www.Edgenuity.com and log in to complete the provided coursework. Students may also navigate to Edgenuity through Clever as well.

Objectives

Objective / I Can: complete the equivalent of 20 minutes per day in Edgenuity following the curriculum set for me by Mrs. Hudnall, accumulating no less than 100 minutes total by Saturday, May 9.

Activities**Student Activities:**

Log on to Edgenuity. In the order provided, complete coursework for Geometry. This curriculum has been restructured to specifically fit the remaining Geometry course.

Grading will be based on Participation and the Edgenuity average.

Participation is based on the time spent completing the coursework. Meeting the 100 minute time frame = 100.

Academic/Instructional Support

Schedule:	I will be available by email hudnallp@lpisd.org to assist students with log in issues, questions, and resources.
