 8th Period TEAMS |

Objectives

Objective / I Can:
- I can describe 3 different chemistry-based careers using 3 difference resources.

Activities

Student Activities:

1.) Read the document entitled, "Chemistry Careers Project Description and Rubric 2020."

2.) Go to the Occupation Outlook Handbook website https://www.bls.gov/ooh/

3.) Research 3 careers chosen from the list (or one that you've gotten approval for) and complete the "Chemistry Careers Research Templates."

4.) Turn in this assignment using TEAMS. It will be taken for a grade.

5.) You have researched 3 careers related to chemistry. You will select one of those careers to explore further. Select one career and complete the "Chemistry Careers Writing Assignment" below. Turn this in through TEAMS. It will be taken for a grade.

Detailed description of the assignment provided to students on TEAMS, email and remind.
