Objectives

Objective / I Can:

- April 6: I can solve a system of linear equations using elimination
- April 7: I can solve a system of linear equations using graphing
- April 8: I can solve a system of linear equations using graphing
- April 9: I can solve a system of linear equations using graphing

Activities

Student Activities:

Go to [Teams Folder](#). Look for the assignment: All assignments can be found on student eduphoria test the link is below.

- April 6: [Solving using Elimination](#)
- April 7: [Khan Academy Solve by graphing](#), [Solve by graphing Short](#)
- April 8: [solve by graphing race](#), [short solve by graphing](#)
- April 9: [Solving Systems on desmos](#)

Academic/Instructional Support

Schedule:

Office Hours

Teacher Support - TEAMS

*I will be available for questions through the TEAMS website
and my email address M-F 8 am – noon.*

La Porte High School 2020 Algebraic Reasoning Outreach Learning
April 6 – April 10, 2020

To Be Graded

Assignment for students to submit to TEAMS Folder:

All assignments can be found on student eduphoria test the link is below.

- April 6: Solving systems of linear equations using elimination
- April 7: Solving systems of linear equations using graphing
- April 8: Solving systems of linear equations using graphing
- April 9: Solving systems of linear equations using graphing

[Student Eduphoria Testing Link](#)

Student Eduphoria Testing will send instant results for grading when assignments are submitted. All assignments will be entered in the grade book on the Monday due date by 4 pm.

When is it due? All assignments are due the Monday of the week following the date they are assigned. This weeks assignments are due Tuesday April 14th 2020 If they is any reason you are unable to complete an assignment please contact me prior to the end of the week.

What assignments will the student submit?

- April 6: I can solve a system of linear equations using elimination
- April 7: I can solve a system of linear equations using graphing
- April 8: I can solve a system of linear equations using graphing
- April 9: I can solve a system of linear equations using graphing

How will it be submitted? Electronically through student eduphoria test:

[Student Eduphoria Testing Link](#)

Electronically, except by individual arrangement.
