CAMPUS HANDBOOK – QUICK REFERENCE

The faculty and staff want every student, parent or visitor to feel welcome and appreciated at our campus. To that end, this handbook was developed in order to provide students and parents with information regarding campus-specific policies and procedures at La Porte High School. Please refer to the LPISD Student Handbook for additional information.

Attendance & Tardies

***Attendance**

- Attendance is vital to our students' overall academic success. La Porte High School will follow the district and state attendance guidelines. All students are encouraged to attend school every day.

***Absences**

- When a student returns from being absent, a written note of explanation or a doctor's note must be submitted within 3 school days. After a significant amount of absences, a student may be required to submit a doctor's note for all future absences.

***Tardies**

- Students are expected to be in the appropriate classroom at the ringing of the tardy bell for each class period. Tardies will be documented by the teacher. After 4 total tardies, the appropriate administrator will contact the student for possible disciplinary action.

Checks Written for Lunches, Fundraisers or Fees

For any check written for lunches, fundraisers, field trips, school pictures etc., please include the check writer's driver's license number and student name on the check.

Clubs & Organizations

La Porte High School offers a variety of extracurricular opportunities for the students. These clubs and organizations meet before and/or after school. For all organizations, the student is expected to comply with the Student Code of Conduct, maintain passing grades and have no discipline referrals. Information and permission slips will be sent home with the students.

Counseling Services

La Porte High School provides certified school counselors to assist with meeting the academic, social, and emotional needs of our students.

Dress and Grooming

LPISD believes that personal appearance matters both in the workplace and in the community. The purpose for the student dress code is to encourage students to take responsibility for appropriate appearance both at school and within the La Porte community. The intent is not to be overly restrictive, but rather to teach hygiene, instill pride and self-discipline, prevent disruption, minimize safety hazards, and teach respect for authority and property.

All students are required to follow the District student dress code for school attendance and for attendance at school-sponsored activities. If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school. If not corrected, the student may be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.

Exceptions to the dress code for special events, medical, or religious requirements will be considered on an individual basis.

Electronic Devices and Technology Resources

Students are only allowed to use earbuds or headphones during passing periods, before school, and at lunch. Additionally, only one earbud or headphone may be used at a time.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

Inappropriate use of devices during school hours will result in confiscation of the device.

Students are not permitted to possess or use personal electronic devices other than cellular phones at school unless prior permission has been obtained. Without such permission, teachers or school employees will collect the items and turn them into the principal's office. The principal will

determine whether to return items to students at the end of the day or to contact parents to pick up the items.

Field Trips

Field trips are educational opportunities for the students. In order for a student to participate, he/she must have a signed permission slip. Each grade level and organization will determine the guidelines for the field trip. All students must begin and end the field trip with their classmates. Parents who wish to participate as a chaperone on the field trip, must contact the teacher. Younger siblings, who would not normally attend, will not be allowed to attend field trips.

Grades

For 2018-2019, we are reporting grades based on Six-Week Periods.

The teacher will provide a progress report for each student every 3 weeks. Weekly progress reports shall be issued for all students with a grade of 74 or lower in all core subject areas. Parents are also encouraged to enroll in [eSchool Home Access Center](#) – further information is available in the front office. Teachers will post student grades regularly, providing parents with a current assessment of academic performance. Report cards will be mailed the Friday following the end of each six weeks.

Identification Cards

All students must wear a current La Porte High School ID at chest level at all times while on the high school campus. Students who fail to wear IDs or fail to have IDs visible will be subject to disciplinary action. The first day of student attendance, the student will be issued at no cost, an ID and a lanyard. Should the ID be lost or damaged, a replacement will cost \$5.00. Replacement lanyards are available for \$2.00. IDs are needed for roll call, checking out library materials, purchasing food in the cafeteria, and admission into school detentions.

In the event the student leaves the ID at home, they must purchase a temporary ID badge for \$1.00. If the student is unable to pay for the temporary ID on the day that it is issued, they are expected to pay for the ID the following day. Students must have all temporary ID card fees paid prior to the end of the six-weeks grading period.

Student IDs may not be altered or defaced in any manner. Altered or defaced ID's are not permitted and may be confiscated. At administrator discretion, students will be required to clean, repair, or purchase an ID replacement.
